

CROWN TRADE CLEAN EXTREME ANTI-BACTERIAL ACRYLIC EGGSHELL

A dual purpose solution that is stain resistant and defends against bacteria such as MRSA and E.Coli using independently tested SteriTouch® Silver Ion Technology. Suitable for interior walls, ceilings and woodwork. With 10,000 scrubs durability, the superior cleaning capabilities of the formulation do not compromise the integrity or appearance of the paint film. New and aged stains can be easily cleaned away, returning walls to an 'as new' condition – reducing the need for costly redecoration. Independently tested to ISO 11998 class 1 scrub rating for guaranteed results.

Drying	Touch dry in 1-2 hours, recoatable after 4 hours. Allow for adequate ventilation during the drying period
Spreading/Coverage	Up to 14m ² per litre on smooth surfaces
VOC Content	EU Limit for this product (cat A/b) 100g/l (2010) This product contains max 36 g/l VOC
Preparation	All surfaces must be clean, sound and dry before painting. Remove all loose and defective paint coatings. Surfaces contaminated with organic growths should be treated with a suitable Fungicidal Solution, used in accordance with the manufacturer's recommendations. Make good any surface defects using suitable filler, used in accordance with the manufacturer's recommendations. Rub down surfaces using a suitable abrasive material to provide a 'key' and to produce a smooth, sound surface. Remove all surface contamination, including dust deposits by washing and rinsing with clean water. Prime all bare, porous, powdery or repaired areas using the appropriate primer/sealer or diluted 'mist' coat and allow to fully dry before applying the finishing coats.
Application	Stir well before use and use a good quality paint brush or medium pile roller. For spraying dilute up to 15% dependant on equipment type.
Cleaning	Return surplus material to a container. Wash with clean water immediately after use
Health & Safety	Read label before use. Keep out of reach of children. If medical advice is needed, have product container or label at hand. Do not get in eyes, on skin, or on clothing. IF ON SKIN: Wash with plenty of soap and water. IF IN EYES: Remove contact lenses, if present and easy to do. Continue rinsing. Dispose of contents and container in accordance with all local, regional, national and international regulations. Contains 1,2-benzisothiazol-3(2H)-one. May produce an allergic reaction.
