

CROWN TRADE CLEAN EXTREME STAIN RESISTANT SCRUBBABLE MATT

For a finish that is 100% more stain resistant compared to conventional matt vinyl emulsion. It has superior cleaning capabilities which do not compromise the integrity or finished appearance of the paint film. New and aged stains can be easily cleaned away returning walls to an 'as new' condition – reducing the need for costly redecoration. A true flat matt finish suitable for interior walls and ceilings. With 10,000 scrubs durability and independently tested to ISO 11998 class 1 scrub rating for guaranteed results in high traffic areas.

Drying	Touch dry in 1-2 hours, recoatable after 4 hours. Allow for adequate ventilation during the drying period
Spreading/Coverage	Up to 14m ² /litre on smooth surfaces.
VOC Content	EU Limit for this product (cat A/a)30g/l(2010)This product contains max 30g/l
Preparation	All surfaces must be clean, sound and dry before painting. Remove all loose and defective paint coatings. Surfaces contaminated with organic growths should be treated with a suitable Fungicidal Solution, used in accordance with the manufacturer's recommendations. Make good any surface defects using suitable filler, used in accordance with the manufacturer's recommendations. Rub down surfaces using a suitable abrasive material to provide a 'key' and to produce a smooth, sound surface. Remove all surface contamination, including dust deposits by washing and rinsing with clean water. Prime all bare, porous, powdery or repaired areas using the appropriate primer/sealer or diluted 'mist' coat and allow to fully dry before applying the finishing coats.
Application	Stir well before use. Apply by brush or medium pile roller. For airless spray (dilution may be required).
Cleaning	Return surplus material to a container. Wash with clean water immediately after use
Health & Safety	Read label before use. Keep out of reach of children. If medical advice is needed, have product container or label at hand. Do not get in eyes, on skin, or on clothing. IF ON SKIN: Wash with plenty of soap and water. IF IN EYES: Remove contact lenses, if present and easy to do. Continue rinsing. Dispose of contents and container in accordance with all local, regional, national and international regulations. Contains 1,2-benzisothiazol-3(2H)-one. May produce an allergic reaction.
