

CROWN RETAIL WOOD PRIMER & UNDERCOAT

A quick drying, water based primer and undercoat to seal and prepare interior and exterior wood.

Drying	Touch dry in 30 minutes. Recoatable after 2 hours
Spreading/Coverage	Up to 12m ² / litre on smooth surfaces
VOC Content	EU Limit for this product (cat A/d) 130g/l (2010) This product contains max 1g/l VOC
Preparation	All surfaces must be clean, sound and dry before painting. Remove all loose and defective paint coatings. Surfaces contaminated with organic growths should be treated with a suitable Fungicidal solution used in accordance with the manufacturer's recommendations. Remove any rust from metalwork by chipping, scraping and/or abrasion. Make good any surface defects using suitable filler. Rub down surface using a suitable abrasive material to provide a 'key' and produce a smooth, sound surface. Remove all surface contamination, including dust deposits by washing and rinsing with clean water. Treat any knots in wood with an appropriate knotting solution used in accordance with the manufacturer's recommendations. Prime all bare surfaces using an appropriate wood or metal primer, allow to fully dry before applying the finishing coats.
Application	Stir well before use. Apply one or two coats as required by brush.
Cleaning	Return surplus material to a container. Wash with clean water immediately after use
Health & Safety	Read label before use. Keep out of reach of children. If medical advice is needed, have product container or label at hand. Do not get in eyes, on skin, or on clothing. IF ON SKIN: Wash with plenty of soap and water. IF IN EYES: Remove contact lenses, if present and easy to do. Continue rinsing. Dispose of contents and container in accordance with all local, regional, national and international regulations. Contains 1,2-benzisothiazol-3(2H)-one. May produce an allergic reaction.
